I.

The Purposes of this Memorandum of Understanding between SPbU and UO are as follows:

II.

This general Memorandum of Understanding shall be identified as the parent document of any further agreements executed between the Parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each signatory Party to the further agreement, and shall not become effective until they have been reduced to writing and executed by the duly authorized representatives of the concerned Parties.

III.

This Memorandum of Understanding implies no financial obligation on either signatory Party. The scope of the activities under this Memorandum of Understanding shall be determined by the funds regularly available at the respective institutions for the respective type of collaboration undertaken and by financial assistance, which may be obtained by the respective Party from internal or external sources.

Except as may be stipulated in any specific program agreement, each Party shall be responsible for expenses incurred by its employees under this Memorandum of Understanding.

IV.

Upon approval by each Party, this Memorandum of Understanding shall remain in effect for a period of five (5) years unless terminated earlier by a Party, and will renew automatically unless terminated.
