

Agreement Pursuant To a co-Tutorial Joint Supervised Thesis For Diana Nekrasova

BETWEEN

Lille 1 University, Cité Scientifique, 59655, VILLENEUVE D'ASCQ CEDEX, France
represented by its President, Professor Jean-Christophe CAMART

AND

Saint Petersburg State University, Universitetskaya nab. 7/9, 199034 St . Petersburg, Russia
represented by its Senior Vice-Rector for Academic Affairs, Extra-Curriculum Affairs and Methodological Support Ekaterina BABELYUK

University Lille 1 and the Saint Petersburg state University aim to foster academic mobility of doctoral students with the aim of strengthening scientific cooperation in various fields of Earth Sciences including crystallography and catalysis and solid state chemistry.

In line with this, both educational organizations have agreed to on the basis set forth in this agreement conditions D. NEKRASOVA will conduct research and perform work on final qualifying work in St. Petersburg state University and PhD thesis at the University Lille 1.

In case of successful passing of intermediate certification in teaching at the basic educational program of the PhD programme and the state final attestation in St. Petersburg state University D. Nekrasova diploma of completion of postgraduate studies in accordance with the legislation of the Russian Federation and local acts of the Saint Petersburg state University. The text of the final qualification work performed by D. Nekrasova, can be used in the thesis in accordance with the legislation of the Russian Federation.

Upon successful defense of the thesis in the University of Lille 1 D. Nekrasova will be awarded the degree of doctor of the University Lille 1.

The two Parties have drawn up and agreed on the following measures:

TITLE 1	ADMINISTRATIVE PROVISIONS
---------	---------------------------

Article I Object - Candidate details

The present agreement has been drawn up to define the conditions under which the following candidate may enrol in one or other of the aforementioned institutions for the purpose of completing a co-supervised thesis:

Name : Nekrasova

Maiden name: Zinyakhina

First name: Diana

Date and place of birth: 20.06.1993 Chudovo, Russia

Nationality: Russian Federation

Sex: female

Country: Russia

E-mail address: diana.zinyakhina@yandex.ru

Co-tutorial convention - Lille 1 -

- Last Degree obtained and place of issue: Master's Degree St. Petersburg State University

Article II *The beginning and conditions of research*

- 1st academic year of doctoral course with Lille 1 University: 2017
- 1st academic year of doctoral course with St. Petersburg State University: 2018

The doctoral student will be enrolled in the two institutions. This double enrolment will be renewed each year for the duration of the thesis. The candidate will respect the enrolment deadline in force in each country.

The student pays tuition to the University of science and technology of Lille in the 2017-2018 academic year and throughout the whole period of education pays registration fees at the University of Lille 1. At the St. Petersburg state University registration fees are not provided.

Article III *Insurance*

The student will be personally insured against all accidents in the institution where he/she is carrying out his/her research. In France, students participating in the co-supervised thesis programme will be eligible, as all students at Lille 1 University, for insurance cover against accidents at work, in accordance with article L412-8 of the Social Security Code.

Article IV *Accommodation Provisions*

- Details of accommodation at Lille 1 University: residence (with priority access thanks to Campus France)
- Details of accommodation at Saint Petersburg State University: family residence

TITLE II ACADEMIC PROVISIONS
--

Article I *Thesis conditions*

a) *Lille University*

- Date when thesis programme will begin: 15.09.2017
- Research topic: Novel sulfate inorganic materials with lone-pair transition metals
- The education periods:

15.09.2017 - 15.03.2018 - University of Lille 1 (France)

15.09.2018 - 15.03.2019 - University of Lille 1 (France)

15.09.2019 - 15.03.2020 - University of Lille 1 (France)

- In the French Institution: Doctoral School Training Programme: 30 doctoral training course credits to validate

- Expected date of thesis defence: 10 September 2020

b) *SPBU*

Co-tutorial convention - Lille 1 -

- The student masters the basic educational program of postgraduate studies in accordance with the curriculum of SPBU

Article II *Thesis supervision*

The two thesis supervisors appointed to take part in the co-supervision of the present thesis are:

- At Lille 1 University:

Name of thesis supervisor: Dr. COLMONT Marie

Title and position: Associate Professor at ENSCL, UCCS

- At Saint Petersburg State University:

Name of thesis supervisor: Dr. SIIDRA Oleg

Title and position: Associate Professor at Crystallography Department, Institute of Earth Sciences

The two academic supervisors are aware of the contents of the present contract and agree to assist the doctoral student by exercising jointly and to their full ability the competencies which are recognised by the regulations in force in their respective countries.

Article III *Thesis Funding*

The thesis will be financed in the following way (amounts in €):

- Details at Lille 1 University: Vernadski Grant (767 euros) + additional grant from UCCS (250 euros)

Article IV *Attestation*

Members are appointed in accordance with the rules in force in each country.

Article V *Thesis Defence regulations*

With regard to the submission of the thesis, the thesis is submitted in both countries in accordance with the rules and procedures stipulated by the legislation of the countries.

Article VI *Publication, intellectual property*

No communication and/or publication of a scientific and/or technical nature, relative to the research and/or the results achieved and obtained within the framework of the collaboration project may be decided by one Party without the express agreement of the other. Such communication will make specific reference to the existing partnership.

With regard to any secret material, the two parties agree to ensure that confidentiality respected by their personnel.

The legal rights regarding any inventions developed by each team in their own right remain the property of the Party responsible.

Any inventions developed as a result of work carried out jointly by the research teams in the laboratories concerned, should they be liable to protection, will be subject to protection as decided by mutual agreement (secret status, patenting application made in joint name of parties concerned, etc.)

Each party agrees to respect the regulations in force relative to the rights and obligations of the inventors in accordance with the customary regulations and practices in such cases.

Article VII Annulment of the present agreement

Should one of the two partner institutions consider that the quality of the research is not appropriate, or in case of failure to comply with the obligations laid down in one or several articles of this agreement, one or other of the parties is at liberty to terminate the present agreement. In such a case, notice of termination of the agreement must be made at least 6 months before the beginning of each academic year.

Article VIII Duration

The present agreement is entered into for the time necessary to completion of the thesis of Miss D. NEKRASOVA. At the end of this period, the provisions laid out in Article VI will remain in effect until the thesis has been defended and for a period of one year following this date.

The four hardcopies of the present agreement have been drafted.
