

International online Conference Advanced Carbon NanoStructures June 28 - July 2, 2021 St. Petersburg, Russia

Participation Confirmation # ACNS'2021

On behalf of the Organizing Committee, I am to certify that **Mr. Roman Dubovenko**, (Saint Petersburg State University, Saint-Petersburg, Russia) participated in the International online Conference “Advanced Carbon Nanostructures” and made the presentation “**Impact of C₆₀ based star macromolecules & ionic liquid as novel membrane modifiers on pervaporation performance in lactic acid dehydration**”.

Dr. Artur Dideikin
Program Committee Chair
ACNS'2021
